

TAKE A BREATH

An enhanced filtration system that keeps your air clean and fresh for longer putting health first and your competition behind

THE ARCHROMA WAY TO A SUSTAINABLE WORLD

TAKE A BREATH / Performance components of the system

NEW! Nuva® N2159 liq

Combines moisture resistance with low surface tension for polyester

- High efficacy
- Significantly reduced moisture absorption
- Excellent electrostatic chargeability

Fluowet® UD liq

Effective wetting agent for optimum film formation

- No impact on repellent ratings
- Easy to use

Sanitized® TH26-11

Antimicrobial for optimum mildew protection

- BPR compliant chemistry
- Excellent mold protection
- Particle and metal free, no impact on air flow rate
- Technology platform with proven market acceptance

NEW! Appretan® FFX6270 liq

Adhesive for active carbon filter media:

- Strong particle bonding capacity
- Formaldehyde free and ultra-low VOC
- No effect blocking due to low particle inclusion
- Spray applicable

TAKE A BREATH / Main benefits in a nutshell

- Active carbon fixation with zero formaldehyde* emissions providing low Volatile Organic Carbon (Low VOC)
- Water barrier technology is based on high purity material and PFOA free*
- High electrostatic chargeability to achieve fast particle absorption
- Maximum air flow as no interfibrillar blocking occurs, allowing to maintain highest filtration efficacy
- Integrated mold protection provides higher performance and increased use life
- Non-blocking fixation of active carbon maintains high antibacterial and antiviral function
- Excellent moisture control properties and low conductivity enable fast electrostatic charging
- Improved quality with higher performance extends life cycles of the filter

'SAFE' WITH:
Archroma's
TAKE A BREATH
system

SAFE

'ENHANCED' WITH:
Archroma's
TAKE A BREATH
system

ENHANCED

* Below limits of detection according to industry standard test methods
** Low Volatile Organic Compounds (VOC)

In-house antimicrobial testing at Sanitized, certification possible for antimicrobial effects, Sanitized ingredient branding possible

THE ARCHROMA WAY TO A SUSTAINABLE WORLD / Safe + Enhanced = The Enhanced Collection

SAFE – IT'S OUR NATURE TO PROTECT

A solid core: Our deeply rooted goal to protect people and our planet. Safe to use, safe to release and also safe to wear.

ENHANCED – IT'S OUR NATURE TO ADD ANOTHER LEVEL OF VALUE

Innovation is critical. With it, we create additional effects, functionalities and aesthetics and sustainable differentiation to bring additional value, helping consumers to achieve their goals, for a life enhanced.
